Certificate of Approval

This is to certify that the Management System of:

Medical Wire & Equipment Co. (Bath) Ltd

Potley Lane, Corsham, SN13 9RT, United Kingdom

has been approved by LRQA to the following standards:

ISO 13485:2016

Approval number(s): ISO 13485 - 0003648

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Design, development and manufacture of sterile collection swabs and associated devices for use in medical microbiology. Design and manufacture of sterile amniotic fluid collection devices for use in obstetrics and gynaecology. Design and development and manufacture of loops, media, rapid test strips, microrings and sample containers for patient sample collection and diagnostic applications.

David Derrick

Area Operations Manager UK & Ireland
