MATERIAL SAFETY DATA SHEET
Product Code MWSEL

Section 1: Identification of the substance/mixture and of the company undertaking

1.1 Product identifier
Product Name: Selenite Broth
Product Codes: MWSEL

1.2 Relevant identified uses of the substance or mixture and uses advised against
Intended life cycle stages and user groups
PW, SU20, SU24
Intended use: In-vitro diagnostics under clinical supervision
Uses advised against: Void

1.3 Details of the supplier of the safety data sheet
Manufacturer:
Medical Wire & Equipment
Corsham, Wiltshire, SN13 9RT, UK
Tel: +44 1225 810361
Email: sds@mwe.co.uk

1.4 Emergency Telephone Number
☎️: +44 1225 810361

Section 2: Hazards Identification

2.1 Classification of the substance or mixture
Classification of the mixture according to Regulation 1272/2008/EC
This product is not classified

This product contains no hazardous constituents, or the concentration of all chemical constituents are below the regulatory threshold limits described by European directive 1272/2008/EC and the Occupational Safety Health Administration Hazard Communication Standard 29 CFR 1910.1200 and the Canadian Workplace Hazardous Materials Information System (WHMIS).

Information pertaining to particular dangers for man and environment
The product presents no hazards to man or the environment as calculated by the procedures of the EU directives (1999/45/EC and Amendments)

2.2 Label elements
The product is not subject to hazard identification regulations according to EU directives.
GHS label elements: Void
Hazard pictograms: Void
Signal word: Void
Hazard statements: Void

Other hazards
PBT and vPvB assessments: Not applicable

Section 3: Composition /information on ingredients

3.1 Substances
Not applicable

3.2 Mixtures
The mixture is not classified according to Regulation 1272/2008/EC
No dangerous components as defined by regulations.
**Section 4: First Aid Measures**

4.1 Description of first aid measures

<table>
<thead>
<tr>
<th>General information: No special measures required</th>
</tr>
</thead>
</table>

- **After inhalation:** Supply fresh air; seek medical advice in case of complaints
- **After skin contact:** Transient contact is harmless, but in case of prolonged contact or irritation wash with water and soap and rinse thoroughly
- **After eye contact:** Rinse opened eye for several minutes under running water. If symptoms persist seek medical advice
- **After swallowing:** If symptoms persist seek medical advice

4.2 Most important symptoms and effects, both acute and delayed

No acute or delayed symptoms expected. No further relevant information available.

4.3 Indication of any immediate medical attention and special treatment needed

No further relevant information available.

Information for doctor: Show product label or this Material Safety Data Sheet

**Section 5: Firefighting measures**

5.1 Extinguishing media

Suitable extinguishing agents: CO2, extinguishing powder, or water spray. Fight larger fires with water spray or alcohol resistant foam.

5.2 Special hazards arising from the substance or mixture

No exposure hazards. No toxic gases
No further relevant information available

5.3 Advice for firefighters

Protective equipment: No special measures required

**Section 6: Accidental release measures**

6.1 Personal precautions, protective equipment and emergency procedures

Not required

6.2 Environmental precautions

No special measures required

Wipe up with damp sponge or cloth

6.3 Methods and material for containment and cleaning up

No special measures required

6.4 Reference to other sections

No dangerous substances released.
See Section 7 for information on safe handling
See Section 8 for information on personal protection equipment
See Section 13 for disposal information

**Section 7: Handling & Storage**

7.1 Precautions for safe handling

No special measures required

Information about protection against explosions and fires: No special measures required

7.2 Conditions for safe storage, including any incompatibilities

Requirements to be met by storerooms and receptacles: 5 – 25°C

Information about storage in one common storage facility: Store away from oxidising agents

Further information about storage conditions: Store in cool, dry conditions in well sealed receptacles

7.3 Specific end uses

No further relevant information available

---

Please note that as medical devices the products referred to in this document have no legal requirement for a Safety Data Sheet. The product is not classified according to the Globally Harmonised System (GHS). This Safety Data Sheet has been compiled for the convenience of the user, providing information compliant with the GHS according to the format of the regulations indicated. (Ref: Regulation 1907/2006/EC Article 2 (6), Regulation 1272/2008 EC Article 1.5(a)), & OSHA HCS.)
Section 8: Exposure controls/ personal protection

8.1 Control parameters
Components with limit values that require monitoring at the workplace: 
The product does not contain any relevant quantities of materials with critical 
values that have to be monitored at the workplace.

8.2 Exposure controls
Engineering controls: No special measures required
Personal Protective Equipment
Respiratory protection/breathing equipment: Not required
Protection of hands: Protective gloves (e.g., nitrile or equivalent)
Eye protection: Safety glasses
Body protection: Protective work clothing (e.g., lab coat)

General protective and hygienic measures:
Observe normal precautions for handling chemicals.

Section 9: Physical and chemical properties

9.1 Information on basic physical and chemical properties

<table>

9.2 Other information
No further relevant information available

Section 10: Stability and reactivity

10.1 Reactivity
No significant reactions known

10.2 Chemical stability
Thermal decomposition / conditions to be avoided: No decomposition if used according to specification

10.3 Possibility of hazardous reactions
No dangerous reactions known

10.4 Conditions to avoid
No further relevant information available

10.5 Incompatible materials
No further relevant information available

10.6 Hazardous decomposition products
No dangerous decomposition products known
### Section 11: Toxicological information

#### 11.1 Information on toxicological effects

Acute toxicity:
- Primary irritant effect:
  - On the skin: none
  - On the eye: none

Respiratory or skin sensitisation: No sensitising effects known

Additional information:
- When used and handled in accordance with specification, the product has no harmful effects according to the information available to us and to our experience with the product.
- The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version.
- The product is not subject to OSHA classification according to internally approved calculation methods for preparations

Carcinogenic categories
- IARC (International Agency for Research on Cancer)
  - None of ingredients is listed
- NTP (National Toxicology Program) Report on Carcinogens
  - None of the ingredients are listed

### Section 12: Ecological Information

#### 12.1 Toxicity

Aquatic toxicity: No further relevant information available

#### 12.2 Persistence and degradability

Not applicable

#### 12.3 Bioaccumulative potential

Not applicable

#### 12.4 Mobility in soil

Not applicable

#### 12.5 Results of PBT and vPvB assessment

Not applicable

#### 12.6 Other adverse effects

The ecological effects have not been thoroughly investigated, but currently none have been identified.

General notes: Not known to be hazardous to water

No further relevant information available

### Section 13: Disposal considerations

#### 13.1 Waste treatment methods

Recommendation
- Must adhere to national and local regulations.
- Smaller quantities can be disposed of with solid waste.
- US: Disposal must be made according to the regulations found in 40 CFR 261
  - This product is not considered a RCRA hazardous waste

Uncleaned packagings:
- Recommendation: Must adhere to national and local regulations.
- Recommended cleansing agent: water, if necessary with cleansing agents.
