# **MATERIAL SAFETY DATA SHEET** (Ref: ISO 11014:2009; European Directive 1907/2006/EC)

Sigma-Transwab® with Liquid Amies Product Code(s): MW167S

# **MATERIAL SAFETY DATA SHEET Product Code: MW167S**

Section	Details
Section 1: Identification of the substance/mixture and of the company undertaking	1.1 Product identifier Product Name: Sigma Transwab® with Liquid Amies Product Codes: MW167S
	1.2 Relevant identified uses of the substance or mixture and uses advised against Intended life cycle stages and user groups PW,SU4,SU20,SU24 Intended use: In-vitro diagnostics under clinical supervision Uses advised against: Void  1.3 Details of the supplier of the safety data sheet  Manufacturer: Medical Wire & Equipment Corsham, Wiltshire, SN13 9RT, UK Tel: +44 1225 810361
	Email: sds@mwe.co.uk
	1.4 Emergency Telephone Number
	<b>☎</b> . +44 1225 810361
Section 2: Hazards Identification	2.1 Classification of the substance or mixture Classification of the mixture according to Regulation 1272/2008/EC This product is not classified  This product contains no hazardous constituents, or the concentration of all chemical constituents are below the regulatory threshold limits described by European directive 1272/2008/EC and the Occupational Safety Health Administration Hazard Communication Standard 29 CFR 1910.1200 and the Canadian Workplace Hazardous Materials Information System (WHMIS).
	Information pertaining to particular dangers for man and environment  The product presents no hazards to man or the environment as calculated by the procedures of the EU directives (1999/45/EC and Amendments)
	2.2 Label elements The product is not subject to hazard identification regulations according to EU directives. GHS label elements: Void Hazard pictograms: Void Signal word: Void Hazard statements: Void
	Other hazards PBT and vPvB assessments: <i>Not applicable</i>
Section 3: Composition /information on ingredients	3.1 Substances Not applicable
	3.2 Mixtures The mixture is not classified according to Regulation 1272/2008/EC No dangerous components as defined by regulations.

MATERIAL SAFETY DATA SHEET (Ref: ISO 11014:2009; European Directive 1907/2006/EC) Sigma-Transwab® with Liquid Amies Product Code(s): MW167S

Section 4: First Aid Measures	4.1 Description of first aid measures General information: No special measures required
	After inhalation: Supply fresh air; seek medical advice in case of complaints After skin contact: Transient contact is harmless, but in case of prolonged contact or irritation wash with water and soap and rinse thoroughly After eye contact: Rinse opened eye for several minutes under running water. If symptoms persist seek medical attention. After swallowing: If symptoms persist seek medical advice
	<b>4.2 Most important symptoms and effects, both acute and delayed</b> No acute or delayed symptoms expected. No further relevant information available.
	4.3 Indication of any immediate medical attention and special treatment needed No further relevant information available.
	Information for doctor: Show product label or this Material Safety Data Sheet
Section 5: Firefighting measures	5.1 Extinguishing media
	Suitable extinguishing agents: CO2, extinguishing powder, or water spray. Fight larger fires with water spray or alcohol resistant foam.
	5.2 Special hazards arising from the substance or mixture No exposure hazards. No toxic gases No further relevant information available
	<b>5.3 Advice for firefighters</b> Protective equipment: <i>No special measures required</i>
Section 6: Accidental release measures	6.1 Personal precautions, protective equipment and emergency procedures  Not required
	6.2 Environmental precautions  No special measures required  Wipe up with damp sponge or cloth
	6.3 Methods and material for containment and cleaning up No special measures required
	6.4 Reference to other sections No dangerous substances released. See Section 7 for information on safe handling See Section 8 for information on personal protection equipment See Section 13 for disposal information
Section 7: Handling & Storage	7.1 Precautions for safe handling No special measures required Information about protection against explosions and fires: No special measures required
	7.2 Conditions for safe storage, including any incompatibilities Requirements to be met by storerooms and receptacles: $5-25^{\circ}C$ Information about storage in one common storage facility: Store away from oxidising agents Further information about storage conditions: Store in cool, dry conditions in well sealed receptacles
	7.3 Specific end uses No further relevant information available

# **MATERIAL SAFETY DATA SHEET** (Ref: ISO 11014:2009; European Directive 1907/2006/EC) Sigma-Transwab® with Liquid Amies

Product Code(s): MW167S

Section 8: Exposure controls/ personal	
protection	

#### 8.1 Control parameters

Components with limit values that require monitoring at the workplace: The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

#### 8.2 Exposure controls

Engineering controls: No special measures required

Personal Protective Equipment

Respiratory protection/breathing equipment: Not required Protection of hands: Protective gloves (e.g., nitrile or equivalent)

Eye protection: Safety glasses

Body protection: Protective work clothing (e.g. lab coat)

General protective and hygienic measures:

Observe normal precautions for handling chemicals.

#### Section 9: Physical and chemical properties

# 9.1 Information on basic physical and chemical properties

General information	
Appearance	Liquid
Colour	Colourless
Odour	Characteristic
pH	7.3 +/- 0.2
Change in condition	
Melting point/ Melting range	Not determined
Boiling point/ Boiling range	Not determined
Flash point	Not applicable
Flammability	Non-flammable
Explosive properties	Product does not present an
	explosion hazard
Density	Not determined
Solubility in / Miscibility with	Soluble
water	

#### 9.2 Other information

No further relevant information available

## Section 10: Stability and reactivity

### 10.1 Reactivity

No significant reactions known

#### 10.2 Chemical stability

Thermal decomposition / conditions to be avoided: No decomposition if used according to specification

#### 10.3 Possibility of hazardous reactions

No dangerous reactions known

# 10.4 Conditions to avoid

No further relevant information available

#### 10.5 Incompatible materials

No further relevant information available

#### 10.6 Hazardous decomposition products

No dangerous decomposition products known

# MATERIAL SAFETY DATA SHEET (Ref: ISO 11014:2009; European Directive 1907/2006/EC) Sigma-Transwab® with Liquid Amies Product Code(s): MW167S

11.1 Information on toxicological effects   Acute toxicity: Primary irritant effect. On the skir: none On the skir: skip: sk		
Primary irritant effect: On the skin: none On the skin the product. The product is not subject to classification according to the calculation method of the skin the	Section 11: Toxicological information	11.1 Information on toxicological effects
On the skin: none On the syp: none Respiratory or skin sentitisation: No sensitising effects known Additional information: When used and handled in accordance with specification, the product has no harmful effects according to the information available to us and to our experience with the product. The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version. The product is not subject to CSHA classification according to internally approved calculation methods for preparations Carcinogenic categories IARC (International Agency for Research on Cancer) None of ingredients is listed NTP (National Toxicology Program) Report on Carcinogens None of ingredients are listed NTP (National Toxicology Program) Report on Carcinogens None of the ingredients are listed 12.2 Persistence and degradability Not applicable 12.3 Bioaccumulative potential Not applicable 12.4 Mobility in soil Not applicable 12.5 Results of PBT and vPvB assessment Not applicable 12.6 Other adverse effects The ecological effects have not been thoroughly investigated, but currently none have been identified. General notes: Not known to be hazardous to water No further relevant information available  13.1 Waste treatment methods Recommendation Must adhere to national and local regulations. Smaller quantities can be disposed of with solid waste. Us: Disposal must be made according to the regulations found in 40 CFR 261 This product is not considered a RCRA hazardous waste Uncleaned packagings: Recommendation Must adhere to national and local regulations. Recommendation in Must adhere to national and local regulations. Recommendation in Must adhere to national and local regulations. Recommendation of considered in the regulation of th		
On the eye: none Respiratory or skin senitisation: No sensitising effects known Additional information: When used and handled in accordance with specification, the product has no harmful effects according to the information available to us and to our experience with the product. The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version. The product is not subject to OSHA classification according to internally approved calculation methods for preparations Carcinogenic categories IARC (International Agency for Research on Cancer) None of ingredients is listed NTP (National Toxicology Program) Report on Carcinogens None of the ingredients are listed  12.1 Toxicity Aquatic toxicity: No further relevant information available 12.2 Persistence and degradability Not applicable 12.3 Bioaccumulative potential Not applicable 12.4 Mobility in soil Not Applicable 12.5 Results of PBT and vPvB assessment Not applicable 12.6 Results of PBT and vPvB assessment Not applicable 12.7 Results of PBT and vPvB assessment Not applicable 13.1 Wasto treatment methods Recommendation information available  Section 13: Disposal considerations  13.1 Wasto treatment methods Recommendation Not represent information available  Section 14: Transport information  14.1 UN Number Not regulated: 14.2 Purpose shipping name Not regulated: 14.3 Packing group Not regulated: 14.4 Packing group Not regulated: 14.5 Special precautions for user Not applicable 14.7 Transport in of MARPOL 73/78 and the IBC Code Not applicable		
Additional information:  When used and handled in accordance with specification, the product has no harmful effects according to the information available to us and to our experience with the product.  The product is not subject to classification according to the calculation method of the General EU Classification according to the calculation method of the General EU Classification according to internally approved calculation methods for preparations as issued in the latest version.  The product is not subject to OSHA classification according to internally approved calculation methods for preparations.  Carcinogenic categories  IARC (International Agency for Research on Cancer)  Nome of ingredients is listed  NTP (National Toxicology Program) Report on Carcinogens  None of the ingredients are listed  12.1 Toxicity  Aquatic toxicity; No further relevant information available  12.2 Porsistence and degradability  Not applicable  12.3 Bioaccumulative potential  Not applicable  Not applicable  12.4 Mobility in soil  Not applicable  Not applicable  12.6 Results of PBT and vPvB assessment  Not applicable  13.1 Waste treatment methods  Recommendation  Aust adhere to national and local regulations.  Must adhere to national and local regulations.  Recommended cleansing agent: water, if necessary with cleansing agents.  14.1 UN Number  Not regulated*  14.1 Disposal information  14.1 UN Number  Not regulated*  14.1 Packing group  Not regulated*  14.2 Packing group  Not regulated*  14.4 Packing group  Not regulated*  14.5 Special precautions for user  Not applicable  14.7 Transport in formation for Annex II of MARPOL 73/78 and the IBC  Code  Not applicable		
When used and handled in accordance with specification, the product has no harmful effects according to the information available to us and to our experience with the product.  The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version.  The product is not subject to OSHA classification according to internally approved calculation methods for preparations  Carcinogenic categories IARC (International Agency for Research on Cancer) None of impredients is listed  The (National Toxicology Program) Report on Carcinogens None of the ingredients are listed  The (National Toxicology Program) Report on Carcinogens None of the ingredients are listed  12.1 Toxicity Aquatic toxicity. No further relevant information available  12.2 Persistence and degradability Not applicable  12.3 Bioaccumulative potential Not applicable  12.4 Mobility in soil Not applicable  12.5 Results of PBT and vPvB assessment Not applicable  12.6 Other adverse effects The ecological effects have not been thoroughly investigated, but currently none have been identified. General notes. Not known to be hazardous to water Not further relevant information available  Section 13: Disposal considerations  13.1 Waste treatment methods Recommendation Must adhere to national and local regulations. Smaller quantities can be disposed of with solid waste. US. Disposal must be made according to the regulations found in 40 CFR 261 This product is not considered a RCRA hazardous waste Uncleaned packagings: Recommendation: Must adhere to national and local regulations. Recommended cleansing agent: water, if necessary with cleansing agents.  14.1 UN Number Not regulated* 14.2 UN proper shipping name Not regulated* 14.3 Transport information  14.5 Environmental hazards Not regulated* 14.6 Special precautions for user Not applicable 14.7 Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code Not applicable

# MATERIAL SAFETY DATA SHEET (Ref: ISO 11014:2009; European Directive 1907/2006/EC) Sigma-Transwab® with Liquid Amies

Product Code(s): MW167S

#### Section 15: Regulatory information

# 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

EU

Labelling according to Regulation (EC) No 1272/2008 not required. Labelling is according to European In Vitro Diagnostic Medical Devices Directive 98/79/EC

US

SARA 313 & 355 are sections of 40 CFR Protection of Environment The concentration of all chemical constituents are below the regulatory threshold limits

TSCA (Toxic Substances Control Act)

All ingredients listed in TSCA Inventory.

California Proposition 65

Chemicals known to the state to cause cancer, reproductive toxicity for males or females, or developmental toxicity

None of the ingredients is listed.

NTP (National Toxicology Program) Report on Carcinogens

None of the ingredients are listed

TLV (Threshold Limit Value according to American Conference of

Governmental Industrial Hygienists) None of the ingredients are listed

tone of the migrouler

#### Canada

Canadian Substance Listing

Canadian Domestic Substance List (DSL): All ingredients listed Canadian Ingredient Disclosure List (limit 0.1%): No ingredients listed Canadian Ingredient Disclosure List (limit 1%): No ingredients listed

#### 15.2 Chemical safety assessment

A Chemical Safety Assessment has not been carried out.

#### Section 16: Other information

To the best of our knowledge, the information contained herein is accurate. However, neither Medical Wire & Equipment nor any of its distributors assumes any liabilities whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.

#### Relevant identified uses according to

European Chemical Agency (ECHA): Guidance on Information Requirements and Chemical Safety Assessment Chapter R.12:Use description. Version 3.0, December 2015, <a href="https://www.echa.europa.eu">www.echa.europa.eu</a>

Code	Name
Key Descriptor: Life Cycle Stages	
PW	Widespread use by professional workers
Supplementary descriptor: Sectors	
of use	
SU4	Manufacture of food products
SU20	Health services
SU24	Scientific research and development

# **MATERIAL SAFETY DATA SHEET** (Ref: ISO 11014:2009: European Directive 1907/2006/EC)

Sigma-Transwab® with Liquid Amies Product Code(s): MW167S

#### References

This Material Safety Data Sheet has been prepared in accordance with the requirements of the following regulations

- ISO 11014:2009 Safety data sheet for chemical products
- European Regulation 1907/2006/EC as amended by Regulation (EC) 1272/2008 and Regulation (EU) 2015/830 2.
